

Hello

Please see comments from Parish Council for inclusion in the planning applications, please also see confirmation from Theresa Parker for an extension on the original deadline.
If you require anything further please let me know.

EPF/2762/19 – 6 Carters Lane

Proposed first floor rear extension

Objection – This would be an overdevelopment of an already extended property
Would also draw attention to previous planning (EPF/1408/19) which included a condition to retain the front hedge which has currently been removed and should be reinstated.

EPF/2779/19 – 4 Carters Lane

Part single, part double storey rear extension, single storey front & side extension and loft conversion.

Objection – This would be an overdevelopment of an already extended property
Would also draw attention to previous planning (EPF/1243/18) which included a condition to retain the front hedge which has currently been removed and should be reinstated.
