REPRESENTATION

To which Main Modification number and/or supporting document of the Local Plan does your representation relate to?

MM no: 201

Supporting document reference: F. Epping Forest District Council Green Infrastructure Strategy (ED124A-G/ EB159A-G)

Do you consider this Main Modification and/or supporting document of the Local Plan to be:

Legally compliant: Yes

Sound: No

If no, then which of the soundness test(s) does it fail? Positively prepared, Effective, Justified, Consistent with national policy

Please give details of why you consider the Main Modification and/or supporting document is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the legal compliance, soundness of the Local Plan or compliance with the duty to co-operate, please also use this box to set out your comments.

NONE

Please set out what change(s) you consider necessary to make the Main Modification and/or supporting document legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/Consistent with national policy) where this relates to soundness. You will need to say why this change will make the Submission Version of the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I object to the Change of Green belt status and use for housing of the land show in the documents as SP4.1, there has been no change to the conditions since the rejection of planning permission application 1403/86 in respect of this site. Buildings would change the appearance of the village and would cause disruption to wildlife. Thousands of new homes are already allocated to this area.
