REPRESENTATION

To which Main Modification number and/or supporting document of the Local Plan does your representation relate to?

MM no: 78

Supporting document reference:

Do you consider this Main Modification and/or supporting document of the Local Plan to be:

Legally compliant: Yes

Sound: No

If no, then which of the soundness test(s) does it fail? Effective

Please give details of why you consider the Main Modification and/or supporting document is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the legal compliance, soundness of the Local Plan or compliance with the duty to co-operate, please also use this box to set out your comments.

a school, a doctors surgery and a vehicular bridge are required in order to support this massive increase in population to the area of South Epping, the roads are already congested, schools and GP surgeries oversubscribed.

preservation of green spaces and public bridleways and footways around Brook Road

Please set out what change(s) you consider necessary to make the Main Modification and/or supporting document legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/Consistent with national policy) where this relates to soundness. You will need to say why this change will make the Submission Version of the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
