Letter or Email Response:

To: The Planning Policy Team I do not envy the decision Epping Forest District Council has to make. Ideally we would not like to see any development locally. However if we must accept development in the Local Plan, the land to the South of Brook Road is a clearly the most suitable area for development, as the site is in walking distance from Epping tube station. In addition, there is the natural barrier of the M25 to prevent any further development in the surrounding areas
