Letter or Email Response:

dear council/ regarding jessel green whom may this concern please don't put these buildings on a nice scenic area, you will block the view of the sunrise + sunset if jessel green. which looks lovely + colourful all year round Jessel Green has a lot of history including fun-days, charity raising events, debden days and whenever the gets together. some people may think its just a field but it's not, it's a happy place where people or the locals get together and for some it has a lot of memories including my husband colin who has loved in debden all his life his memories includes playing football sliding down the hill in sledge when it snowed so please don't take his childhood away, leave it for the future generation. thankyou for your cooperation
