**Too many homes proposed on the sites. They mainly are adjacent to the High Street or A414 and these roads are already straining under the number of vehicles using them. There is a need for a bypass thus making these roads to be used mainly by local traffic.**

No

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Disagree

Please explain your choice in Question 7:

To remove the leisure centre when there is a large school next door and a proposed increase of approx 2000 residents in Ongar is ridiculous. Leisure and fitness are key to good health and facilities should be available in all areas. Few will drive to North Weald. More surgeries will need to be built as will primary schools but also transport systems are already inadequate and there will need to be major transport infrastructure improvements to allow residents the opportunity to get to work as there is little in the way of job opportunities in Ongar.
