Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

No opinion

Please explain your choice in Question 1:

No opinion overall as have no knowledge of some of the affected areas

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

I disagree with the expansion of Sheering. The proposed changes will dramatically change the village. Traffic through the village is already extremely heavy and often much too fast. The local School is full and local residents have trouble obtaining a place meaning they have to travel, further compounding the road problems. The Drs surgery at Sawbridgeworth often has an answerphone message stating that no appointments are available. There is a lack of technology provision to Sheering, broadband is already extremely slow, this will worsen if more users are added to the system. The road systems around Sheering are hazardous and are the only access routes when the B183 is out of action. Cars are often parked on pavements .

3. Do you agree with the proposals for development around Harlow?

Agree

Please explain your choice in Question 3:

There are already a number of new developments in Harlow which have blended well with the existing town. Road systems have been updated to ensure traffic flows through the town.
