Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 1:

There is an increasing need to build more houses to support a growing population and there is an opportunity to make sure these new houses and the infrastructure are of good design and sustainable.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 2:

It is sensible to put the majority of housing around established towns to make use of the existing infrastructure. I am disappointed that site CFS-SR-0596 has not yet been considered as this could provide an exciting mix of homes and amenities.

3. Do you agree with the proposals for development around Harlow?

Agree

Please explain your choice in Question 3:

The large housing sites around Harlow will be supported by the town. However, there should be thought given to the smaller sites on the edge of Harlow that could also provide homes and amenities such as CFS-SR-0596.
