Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

I don't think that the plan fulfils the vision set out above

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

Increasing the density of housing within the district will completely change the character of the area. Most people who live here benefit hugely from our public green spaces such as Jessel green in loughton. If these green spaces were deemed necessary green when Debden estate was built surely they are needed even more now when our children are at risk of obesity and desperately need to exercise outdoors? I regularly walk my dog on Jessel green. Our roads are congested, parking is a nightmare, hospitals and GPs are struggling to cope and what about providing extra school spaces. Traders in the high street are struggling how they going to cope when no one can park there? Why aren't Epping Forest District Council planning any garden villages? I strongly feel that the lives of the residents who already live within Epping Forest should be taken into account and we should do everything we can to protect the unique nature of our district.
