Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

I strongly disagree with any plan of development on or directly around North weald airfield. Even if part of it were to be developed this would then path the way to a full redevelopment and a loss to a historical and hugely important asset to the community. Local amenities and services cannot cope as it is with the current population in North weald, epping and Essex as a whole. I have to commute to Oxford circus from epping station and must make sure I am at epping station before 7am to get a parking space. I therefore get to work an hour and half earlier than I should everyday. The buses are not an option as they frequently don't turn up, breakdown and don't run until late in the evening. I cannot get a doctors appointment without a 2 week wait either. How do you propose an influx of thousands would work when the current infrastructure is already so poor? Thousands of houses and people would destroy north weald village and we will object and fight any development plans
