No

Please provide reasons for your view on Buckhurst Hill:

I have been a resident of Buckhurst Hill for 76 yrs and reside inRedacted.... for 60 yrs. I am very concerned that you are planning to build 44 flats at the car park in Queens Road (SR-0225).Redacted.... the car park, the proposed site, it will inconvenience me greatly. There will be excessive noise, dirt and general discomfort both during and after. There may also be water problems. As i use my garden for pleasure, this will not be very restful. I would like to know who you imagine would live in the flats with the trains running almost through their homes. If you were to build the garages under the flats i would be looking out at a multi-storey building, which i would not enjoy. Another point i would like to point out is that whilst you are building there will be no parking space for business people, shoppers, or commuters. This would cause disruption and loss of trade for people with local businesses. I am very much against your plans and cannot see how this will work for the benefit of anyone.
