Strongly disagree

Limes Farm estate needs its green spaces and does not need more housing. There are very few leisure facilities so children need the fields to play and people need places to walk their dogs. Cramping more housing into an area that cannot support it is madness. The council needs to improve what we already have and not make residents lives more miserable. More traffic pollution, limited parking over crowding is not going to work. The ongoing work on the water mains has highlighted the disruption already caused to residents and we do not want anymore!
