Epping (Draft Policy P 1):

No

Please provide reasons for your view on Epping:

I have concerns about the choice of development in sites south of Ivy Chimneys: SR0333Bi SR0069 SR0069/33  
1. It will be destroying some of the green belt. If it does go ahead I hope you will not knock down the trees in these areas  
2. Ivy Chimneys is already a small, busy, congested road and the developments will bring more traffic on to Ivy Chimneys.  
3. Ivy Chimneys school is already over subscribed and this will add to demand.  
4.

Epping station is already very busy and the trains frequently overcrowded. This will only add to the problem and it's unlikely TfL will improve the service and this is outside of your control
