Loughton (Draft Policy P 2)

No

Please provide reasons for your view on Loughton:

I particularly disagree with the proposed plans for the Traps Hill car park area. I think housing and/or any kind of multi-storey or underground car park on this site would really spoil the 'country town' atmosphere of Loughton. The car park, library, playground and leisure centre are places I visit more than once a week, and the loss of this open area would mean a much more hemmed-in, enclosed feel. At present, there are lovely views across the town towards the forest and an open feel that I would hate to be lost. I also live close to Lucton's Field. While I would like to see this put to better use, it would be wonderful to provide a natural area that the whole community could use (instead of the half-fenced-off overgrown field as it currently stands). I

am very worried that any extra housing anywhere in the area will undoubtedly mean more traffic and more 'busyness' in a town that I enjoy living in because it has a 'country' feel.
