850 new homes have been allocated to Waltham Abbey WALT 1, WAL R1/2/3. This will not be in line with the character of Waltham Abbey which is a small market town. This area is in the green belt and it is not legal for this green belt to be removed. This will affect local people in a negative way reducing their health, happy way of life. This will affect locals mental health. The plan does not respect the town.

Please set out what change(s) you consider necessary to make the Main Modification and/or supporting document legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/Consistent with national policy) where this relates to soundness. You will need to say why this change will make the Submission Version of the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Do not remove the green belt in Waltham Abbey. This is not legal. It states in the latest law that the green belt should only be used in exceptional circumstances. There are no exceptional circumstances.
