To whom it may concern

Development of North Weald Golf Club, North Weald, Epping

I would like to support this development and the range of benefits it delivers. I am also impressed with the engagement with the local community and Parish Council which the developer has carried out, particularly noting the involvement of the local football and karate clubs as well as the scouts. This approach is to be encouraged and I would like to see this development come forward.

Kind regards,

[REDACTED]
