Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

I think there's too many homes being added. The roads, hospitals and schools wont cope and there's not enough sport facilities and playing fields.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

Just think there's too many houses already.

Theydon Bois (Draft Policy P 8)

No

Please provide reasons for your view on Theydon Bois:

I don't think Theydon Bois should grow too much, its a village and if it gets much bigger it wont be. Having said that, I'm amazed you overlooked Coppice farm, which is the only place I'd suggest to build more homes in Theydon Bois; it would just fill in a gap between houses and wouldn't be inconvenient to many people at all.

I'd be interested to know if planners visited all of these suggested sites that were put forward, by doing that and talking to locals, they would have chosen Coppice Farm, no doubt about that.

Roydon (Draft Policy P 9)

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Strongly disagree

Please explain your choice in Question 7:

I'm looking for football pitches, swimming pools and stuff like that and I cant see any. Those football pitches across the other side of the railway line in Theydon Bois should be bought by the council for children to play football on. There's only one pitch available in Theydon and the adults use that.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

People go mad when there is no space for sport and walking in. Just keep that in mind, please.

9. Do you wish to comment on any other policies in the Draft Local Plan?
