Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 1:

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

The traffic in Roydon is already so terrible. More house will only add to more vehicles. There aren't even any footpaths into Harlow or Stanstead Abbots to support the village as it is.

3. Do you agree with the proposals for development around Harlow?

Strongly disagree

Please explain your choice in Question 3:

"Roydon village cannot support the increased traffic through our village. People use Roydon as a cut through including lorises that get stuck as the road are not wide enough. I have lost count of the number of times I can't even get out of my road because of the traffic stacked back from the level crossing. The attached photo was take at 4 pm on a Saturday, you should see Rush hour. It shows the line of cars from Ducketts Mead, half a mile from the train station!!!!!!As a resident it takes my 45 mins to get to ware sometimes. I haven't even started on the noise and pollution it is subjecting us to. "

Roydon (Draft Policy P 9)

No

Please provide reasons for your view on Roydon:

The village infrastructure can't support it. The primary school is small. The level of traffic is already too high. I could cry when I look out of my window and see the cars in traffic all the way back to my house, a half a mile away. Sat with there engines on. The attached phot was taken at 4pm on a Saturday. It's worse in peak times. The noise and the pollution makes me question the effect on our health.

"I would like to see proper pavements from Roydon into Harlow and from Roydom into Stanstead Abbots, allowing us to walk into either safely. At the moment there is only even grass verges into Harlow that can't be walked upon safely and there is nothing so we can walk into neighbouring Stanstead Abbots. I often see runners and walkers dicing with death along the road. It's like we are cut off from other villages. If we had decent pavements, it would help cut down on the traffic as people could walk places and improve your health in the process. Families with children can't walk anywhere and at times I feel very isolated. You have to have a car here."
