7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Strongly disagree

Please explain your choice in Question 7:

Upgrading our services are needed to cope with the current situation. Examples are flooding, power cuts, slow internet.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

I understand that local plans do not clearly demonstrate the need to build on Green Belt.

9. Do you wish to comment on any other policies in the Draft Local Plan?

I moved here for the environment of which Green Belt Land is pivotal. I have lived in housing estates, I was 16 before I saw a wild rabbit. I never saw a fox until I was mid twenties. When I worked in Tottenham I would drive along the New Road/Sewardstone Road and when I got to the reservoirs I knew I was on my way HOME.
