### Letter or Email Response:

To whom it may concern, I am writing as a resident of **...Redacted...** - explaining why I feel it would be awful to lose our much loved and well used Jessel Green. Me and my family regularly use Jessel Green for numerous reasons as we do not have access to a garden. We are bringing our son up with the knowledge of how important exercise is to us so we stay healthy and live long lives which is why we regularly use the area to play football on, to walk the dog, to do picnics in the summer, to fly kites in the wind to build snowmen in the snow! The field is a major part of our lives and is what makes our area so lovely, open and happy. Please please don't take away \*cropped out\* Green space that is much loved and used by so many people, instead let it to continue being such a big part of so many peoples lives. Instead use other areas to build such as car parks that are no longer used of places such as derelict areas that are run down. Thank you for taking the time to read this, Jade Durant.
