This document has been created using information from the Council's database of responses to the Draft Local Plan Consultation 2016. Some elements of the full response such as formatting and images may not appear accurately. Should you wish to review the original response, please contact the Planning Policy team: ldfconsult@eppingforestdc.gov.uk

Letter or Email Response:

I have lived in Debden for 20 years. I love it's sense of community and I also love it's green spaces. Since I have lived here Debden Park School has been built ...Redacted.... making the area ridiculously more busy. The traffic and parking surrounding the Broadway has increased. I have also noticed the dust in my house is so much worse than it used to be. This is not due to me neglecting my housework but I genuinely believe it is from all the extra pollution in the area. PLEASE, PLEASE do not build on all the green spaces or in the library car parks. It would destroy the wildlife in the area. ...Redacted.... would not have anywhere to go and play after school ...Redacted....on Jessel Green. It would also create an horrific amount of traffic. The trains are packed every morning- where would you put everyone? Losing the green spaces and building more and more housing would be a disaster to our beloved area. The schools, surgeries, dentists, hospitals and public transport systems would collapse. I implore you to rethink and reject this ludicrous and ill judged plan. Please could you send a receipt of this email. Yours sincerely, ...Redacted....
