Letter or Email Response:

Hi I have recently been informed of the EFDC draft local plan consultation and wanted to raise my concerns. I live onRedacted.... and believe that this area is already overstretched with respect to the traffic on these roads. I only have a narrow driveway and I have to wait for a safe opportunity to reverse in as it would otherwise be dangerous to reverse off the drive into oncoming traffic- the extra homes and associated cars in the local area would only make this situation worse. This is already a very busy road and at times traffic can be horrendous. This road is prone to flooding also. I purchased this house as I was familiar with the local rural area and this is where I wanted to live. I fear that these developments will change the local area and make it a less safe environment. Kind regardsRedacted....
