> Stapleford Abbots is a beautiful village. It has a small school and our doctors surgery is in Abridge. By increasing its population by building the properties this will overwhelm the tiny village schools both in Stapleford Abbots and Dame Tipping in Havering atte Bower! the doctors too will be overwhelmed with new patients. Through traffic over the last 18 years we have lived here has massively increased. Nobody likes change but I feel this change will not enhance Stapleford Abbots but make it a contested through Road, losing the whole beautiful village look. Is it too much to ask that some English villages keep a small piece of its identity rather than a whole load of developers move in [.....Redacted.....].
