Please note that I object to the building of houses on the car park of the stag pub (ONGR.8), the land south of the Stag pub (ONGR.7) & on the land south of Dyers (ONGR.6).

I live in Hunters Chase and it seems that no thought or planning has been given to access on to busy roads, infrastructure, traffic, provision of utilities, drainage and the impact on already oversubscribed schools and doctors. .

Please note my objection in the strongest terms.

Sushma Dhami
