Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

Building on our green spaces will not enhance our quality of life. We will become like inner London. Rather than providing housing for local people, we will have lots of people from other areas moving in and our Doctors, Schools etc. can't cope! Parking is already a big problem and will be worse as the majority of these people WILL have cars, even if they live near a Station.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

For the reasons stated above.

Underground car parks are frightening places, especially after dark. We are often told there is a shortage of Doctors, Teachers and Nurses, so who exactly is going to be caring for all the new people who move into the area?
