### REPRESENTATION

**To which Main Modification number and/or supporting document of the Local Plan does your representation relate to?**

MM no: 15

Supporting document reference:

**Do you consider this Main Modification and/or supporting document of the Local Plan to be:**

Legally compliant: No

Sound: No

If no, then which of the soundness test(s) does it fail? Effective

**Please give details of why you consider the Main Modification and/or supporting document is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the legal compliance, soundness of the Local Plan or compliance with the duty to co-operate, please also use this box to set out your comments.**

836 new homes for Waltham Abbey is far too many homes. Waltham Abbey cannot cope with the extra people which will result in thousands of extra people. We do not have the facilities to cope with so many people. We are unable to get doctor appointments at the moment or get a NHS dentist yet having more people. There are not enough schools/public transport/parking to manage. The roads are already at a stand still not coping with the traffic. Extra people will result in extra crime and there is no police station in the abbey.

**Please set out what change(s) you consider necessary to make the Main Modification and/or supporting document legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/Consistent with national policy) where this relates to soundness. You will need to say why this change will make the Submission Version of the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

Do not build over 800 properties in the Abbey. The building is planned on the green belt which is illegal.

This will effect the well being of local residents. There are less properties planned for larger area such as Epping and Loughton.
