### Letter or Email Response:

I oppose the planning of home on any of Loughton's greens because: including Jessel Green Rochford Green the greens are are needed for health, mental & physical well-being of the current residence of Loughton the current infrastructure including Roads (in a terrible state of disrepair) Schools (already Full to bursting) Police (currently closed to public) Fire (1 appliance) Doctors (stretched to capacity) Jessel green for instance is used by the local schools, fetes, local boots camp fitness classes, dogs and there owners, I just a nice place to be to wind down from the hectic lives we all lead today
