Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

I agree in the overall direction of expansion however I oppose the development of the proposed sites as they will have a detrimental impact on existing residents, specifically the site by Epping Station at Consiton Court, by adding in new homes there it will add congestion to an area that is already overly congested, it will reduce the amount of natural cover by impacting the trees that line Hillcrest Way, also it will create homes that overlook the existing homes, creating a less safe area.
