Chigwell (Draft Policy P 7)

No

Please provide reasons for your view on North Weald Bassett:

The Chigwell site overlooking Lime Farms is the only recreational open green area available to families living in Grange Hill parish. We already have hundreds of new homes built recently in Grange Hill without any additional infrastructure put in place this area could not sustain another 210 "houses" Hundreds of more cars would join Manor Road during the rush hours and the traffic pollution in Grange Hill is too high now so without any green space to combat the fumes it would be unbearable. Limes Farm has too many social problems so

should not be extended into Grange Hill. My wife and I strongly support the neighbour scheme being suggested by the Parish Council.
