8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

5.89 B/Hill has NOT got " good public accessibility" . To get to our local District Hospital, from B/Hill one has to use at least three buses, taking at least an hour and a half . We used to have two routes direct to Harlow and one bus as far as Epping from Buckhurst Hill; now nothing. Why is it that other areas in the district have a better public service than us 5.99 Over the years EFPC has allowed changes of shop usage, from owner occupiers to retail outlets. This has meant that before, the shop keepers lived above the premises, but now it is retail/services at street level and offices above;.resulting in assistants/office staff coming in and filling parking spaces for genuine shoppers. One reason is high rates and rents. We are NO longer the village it used to be and people are shopping elsewhere.

9. Do you wish to comment on any other policies in the Draft Local Plan?
