Chipping Ongar (Draft Policy P 4)

No

Please provide reasons for your view on Chipping Ongar:

Building houses where the Ongar Leisure Centre is situated is backward thinking and one of the silliest ideas I have ever heard of. The area is about to expand so you want to close down the amenities which will be needed more than ever when the community expands. You build an Academy near the Leisure Centre so they can use the facilities and just as the project is coming along well you decide to build houses on the site thus removing the facilities for the school, totally illogical as new facilities will be required by the Academy as it grows. This is also used for the Doctors surgery parking, if this is removed people will park along the main road causing obstructions and chaos. What about disabled patients or patients who cannot walk long distances. This is utter madness. Perhaps you should look at the local infrastructure first including better public transport and the parking of parents around schools when picking up and dropping off their children. One of the reasons for living in Ongar is the relatively quiet Village location, if I wanted to live in a Town environment then I would move.
