1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

loosing the car parks at Debden and Loughton station alone is a recipe for chaos this will ultimately mean parking permits for local residents and they will have to pay to park in their own street, the Tube trains already very busy will be put under greater pressure and people down the line will have even greater difficulty getting on an already overcrowded service. This is going to make the quality of life worse for people in the area.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Putting several thousand more people in the area without upgrading infrastructure such as Doctors schools will mean even longer waiting times for appointments and people unable to secure school places.
