Letter or Email Response:

Dear Sir/Madam, I am writing to register my objection to the proposed building on loughton greens. I have lived opposite to or adjacent to Rochford Green for 51 Yrs, the green is a very important part of Debden. It certainly is not under used, lots of different people use the green, including playgroups, dog walkers, it is used for football n many many other things. If it is taken away then the area will be a concrete jungle, most importantly we do not have the infrastructure for even more people, not enough drs, schools, roads are beyond capacity n local hospitals cannot cope with the amount of people they serve now. I'm sure there must be areas that could be used that wouldn't impact so catastrophically on the people of Debden, I hope you will listen to the Debden people who feel so strongly about the proposed building. Thanking for reading this email. Yours faithfully Mrs Lorraine Barnes
