Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

We are opposed to the Traps Hill Car Park proposal (SR-0565) to build 44 residential units. We feel that this sort of high rise development is inappropriate to the area and cause a loss of open space to the centre of the town. This is likely to cause extra traffic and more pressure on already strained parking situation.
