Dear Sir or Madam

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett,
Epping, CM16 6AR

I would like to register my positive thoughts for the above project, which I think will be a benefit to the local area as a whole.

The village struggles to support its services, as is evidenced by the difficulties the local GP Practice is experiencing and without development, local services will continue to struggle. This scheme will provide a boost to these services and help sustain them and also affordable housing which will help people. Providing family housing on this scale will also allow more people to live in this desirable area.

I hope it comes forward.
