No

Please provide reasons for your view on Theydon Bois:

A 23% increase in the population of this village with zero increase in facilities such as schools, doctors surgeries, transportation is a totally ridiculous proposition. The railway line is an extremely well defined green belt boundary which should not be breached. The draft policy proposes to replace this boundary with ill

defined ditches which can easily be removed thereby leading to further destruction of green belt in years to come. The railway **MUST** be kept as the defining limit to development in Theydon Bois.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

The proposed development around Theydon Bois would create a ridiculous amount of congestion to the roads, buses and underground. There are very limited facilities locally meaning that travel to larger towns is a daily necessity for most inhabitants.
