Letter or Email Response:

I am writing with my concerns on the proposed building on our open green spaces. I moved to Loughton for a better quality of life from Tower Hamlets where extensive building is going on. With more people and traffic in Tower Hamlets I was having breathing difficulties hence my move to Loughton. I also have my granddaughter come to visit regularly and Jessel Green being the nearest play area to me would be a great lose as there would be no other play area nearby. Also why is EFDC not looking at garden villages like other Essex council are instead of over populating Loughton town. I am also concerned that we don't have the emergency services and the central line to cope as they are overwhelmed now.
