Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

1. That the green belt should be protected at all costs. and 2. The the site currently being marketed in St. John's Road along with the High Street should be used for residential development as opposed to retail development. The evidence country wide is that High Streets are losing trade to the internet and large retail developments and to provide further retail units in Epping would put the existing small established retail businesses at considerable risk and do nothing to enhance the current situation.

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Strongly disagree

Please explain your choice in Question 7:

In general, I think Epping is being asked to take a disproportionate share of development. Unless radical changes are made, this plan will place extra pressure on local health and housing for ordinary people, roads and transport.
