Any representation on a supporting document should clearly state (in question 6) which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

We support the updated **Housing Trajectory**. For the settlement of Sheering, this shows deliveries commencing in 2022/23, with completion of all sites in 2025/26. The quantum of annual completions (ranging from 5 to 37) is achievable, is light of the fact that the allocations are made up of three small sites which can be delivered simultaneously.
