Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

This vision does not enhance the quality of life for the people of North Weald village. The number of houses planned is disproportionate to its size. There are no details for the provision of jobs and infrastructure. Contrary to your vision of preserving the green belt, it would appear that this would be used for building in North Weald.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

The location of housing in North Weald is disproportionate in size to the number of houses considered elsewhere in the Epping forest district area.

3. Do you agree with the proposals for development around Harlow?

Strongly disagree

Please explain your choice in Question 3:

A breathing space is needed between North Weald and Harlow. The A414 at the Hastingwood roundabout is already an area of major congestion.
