Mrs N Pratt

Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett,
Epping, CM16 6AR

A scheme of this calibre offers such great benefits to the local and wider community and I would like to see it move forward. If the council chose not to approve this I believe it would be a big opportunity missed for Epping.

Firstly, as many people are aware, we are currently experiencing a major housing shortage in the UK and more specifically in Epping. A scheme such as this contributes a significant amount of housing to our local target whilst also providing affordable housing, allowing those who are currently struggling to get onto the ladder.

Secondly, traffic is a major issue in this region and local residents such as myself suffer the consequences on a daily basis during our commute. The improvements to the strategic infrastructure proposed in this development would help to reduce the congestion and consequently reduce air pollution.

Taking the above into account I would like to register this letter of support.
