Letter or Email Response:

I am writing you this letter appealing against building on our green (Jessel Green) which is used so much by old and young alike. People walk their dogs, children play ball, familys have picnics, we have a fete in the summer, in winter out come the sledges in the snow. This will all be lost if it were built on. None of us wouldn't like to see it build up likeRedacted.... with no green spaces, all this make Debdan such a nice place t live in.
