Date

This document has been created using information from the Council's database of responses to the Draft Local Plan Consultation 2016. Some elements of the full response such as formatting and images may not appear accurately. Should you wish to review the original response, please contact the Planning Policy team: ldfconsult@eppingforestdc.gov.uk

Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

A large proportion of the plan calls for building on Epping Forest Greenbelt land adjacent to the boundary with Harlow.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

The choice of placing new settlements on the border of Harlow will place unacceptable pressures on the road infrastructures currently available, specifically the Epping Road from Jacks Hatch through Epping Green which is struggling now to cope with commuter traffic to Epping. Southern Way, Harlow which is at capacity and does not lend itself to duelling which is what would be needed. Both of these roads could not hope to deal with Sumners West and Katherines Developments. Commonside Road and Rye Hill Road again would suffer from the development of Latton Priory. Harlow Councils policy also objects to and does not support any development to the South or West of Harlow.
