Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 1:

I support to improve the local economy, but need to be in the right way. This is my home, I would love to keep enjoying living here

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

1. Building new houses are not the right way to improve quality of living here. To improve economy in Epping Forest, we should seek opportunities among the forest itself, look for ways to attract visitors outside, boost economy from hospitality and tourism sides, e.g better restaurant, hotels, golf club

3. Do you agree with the proposals for development around Harlow?

Strongly disagree

Please explain your choice in Question 3:

As explained previously, building more homes is not the right strategy. We should consider what is the motivation of people, why they want to come and live here, not because they want to have a job locally, they want to LIVE here, the benefit we have is we are so close to London, work opportunities are not far, improve the quality of living is the real strategy to success.
