2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

I disagree strongly with the plan to build 200 new homes on the green space at Limes Farm. While this would not affect me directly as I live at the opposite end of the estate, I do frequently walk through this area. Green space is known to be essential to people's health and well-being. It would also add to the traffic and parking problems in the area which are already chronic at busy times - on occasions it can take several minutes to do a right-hand turn from Limes Avenue into Fencepiece Road. Where are children supposed to go to school if the existing schools are already close to capacity? Not to mention the disruption, noise and mess - we have just endured a year of Thames Water working on Limes Farm.

3. Do you agree with the proposals for development around Harlow?
