2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

The proposal to build 210 new dwellings on the green areas of the Limes Farm Estate is frankly quite ludicrous. The area is significantly congested due to only one access point for vehicles, the local schools (both primary and secondary) are operating at full capacity and the transport infrastructure is inadequate to cope with an influx of new residents. This estate has had it's share of problems in the past and it is the existence of the green areas which makes it a pleasant place in which to live. Perhaps more thought should have been given to the selling off of the Council owned housing stock (much of which is now being privately rented) and reviewing the criteria for social housing rentals which may prevent people from outside of the area taking properties which should go to local residents.
