Survey Response:

Strongly disagree

Please explain your choice in Question 1:

Whilst there is always a need for new housing this demand shouldn't damage or harm an existing community base

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

Housing is proposed over established green spaces that are enjoyed by the community. Making housing denser will only increase the pressure on local services and amenities.

3. Do you agree with the proposals for development around Harlow?

Agree

Please explain your choice in Question 3:

Harlow was developed as a New Town with capacity to expand further. Existing green areas within Harlow must be retained for the local community.
