Letter or Email Response:

I write to officially object against the housing developments under proposal for the greens in and around Debden I Loughton, in Epping Forrest District in general. We want the quality of life and green spaces to be respected where we live, and not be jeopardised by a total overflow of inhabitants where no plans are being made for new schools, new hospitals, new train stations, new doctors surgeries etc. PLEASE LEAVE THE GREEN SPACES ALONE, WE ARE NOT LONDON.
