Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

Loughton is already chocked with traffic. You cannot get an appointment at the doctors within 3 weeks. Schools are filled to capacity and have already been made bigger to accommodate more children. Children are being sent to neighbouring towns for schooling. There is already problems with parking in Loughton, even with all the car parks we already have. We need our green spaces, we need local, accessible places for us to walk and enjoy, not everyone can get to the forest. We also need our green spaces to help the environment and global warming. Loughton cannot cope with thousands of new homes!!
