Dear Sir/Madam,

NEW EPPING LOCAL PLAN - SUBMISSION VERSION

We write on behalf of our client, Arboretum Epping Developments, who are the owners of 287-291 High Street, Epping, in response to the draft Epping Local Plan, which has been published for consultation until 29 January 2018.

Appendix 6 of the Local Plan allocates the above site for residential development (ref: EPP.R10). This designation is fully supported. The site is located in a highly sustainable location at the heart of Epping along the main High Street. It has good access to local facilities, services and public transport links. The site is therefore entirely suited to accommodate new residential accommodation in accordance with the site allocation.

The draft allocation refers to the site comprising of a 'greenfield parcel' of land to the rear. This is incorrect. The vacant land to the rear is currently hardstanding that is often used for temporary open storage. The land is not greenfield and the site allocation is requested to be updated to refer to the brownfield nature of the land.

The site allocation also refers to the site being 0.05 Ha in size and suitable for 6 additional units. The suggested indicative density should therefore refer 120 dwellings per hectare.

Finally, the site allocation appropriately refers to the sustainable location of the site. It states there is good public transport accessibility and that sustainable transport modes should be encouraged, and resident car-parking limited. This approach is supported. However, the allocation refers to the need for on-site car club/car sharing arrangements, visitor parking and blue badge holders. Given the size, siting and location of the site, the allocation should clearly state that these facilities are only required where practical, feasible and viable to ensure they do not unduly restrict development from coming forward.

We trust that the above comments will be considered as part of the Local Plan process. If you require any further information, then please contact Don Messenger of this office.

Kind regards,

Don Messenger
